1. MATCHES

(c) Rules for Match Play

vi) In Divisions 6, 7, 8 a game will consist of a maximum of 40 overs per side for matches except as provided for in (d)(i)(ii), (e) and (f) hereinafter.

vii) **No bowler shall bowl more than 9 overs in any one innings.** Should a match be restricted in overs prior to the start, the maximum overs to be bowled by any one bowler shall be one **fifth** of the permitted overs rounded up to a complete over.

Rationale “To change the allocation of bowlers’ overs from 8 to 9 in 40 overs matches. This will effectively mean that a fifth (or more) bowler would have to bowl the remaining 4 overs of the innings”.

5. MATCHES

(e) Four cancellations. Should a side concede 4 fixtures in any one season they are withdrawn from the league with immediate effect.

Notes.

Rationale

Sides which are withdrawn can still play the scheduled fixture as a friendly should they be able to raise a side that week.

5.MATCHES

(0) Wides – Pitch Markings

Wide lines to be painted in blue or red 17 inches inside the edge of the crease lines. This is a guideline for wides and can be deemed not wide in an instance where the batsman moves enough to warrant the ball being called a legal delivery,

Rationale

This is to stop any arguments on what people consider wide and will help the game where bowlers get brought up on a wide ball that could be considered harsh, it will make it fair as there is a clear guideline in place. as per picture below. Peasedown St John CC

Rule 6 (c) – Umpires

Where a team wishes to provide its own non-playing umpire for a match, that umpire may only stand during the opposition’s batting innings with the consent of the opposing Captain.

Rationale

Most matches in the mid to lower divisions are played with team players umpiring their own batting innings. Whilst this is not ideal, there is at least a balance between both sides. A small number of teams provide their own non-playing umpire and usually they are the only team in the match with such an umpire. If in these circumstances the non-playing umpire is automatically allowed to stand during both innings, 75 percent of the balls are umpired by one team, and 25 percent by the other.

Our view is that this scenario is inequitable and potentially disrupts the balance of trust between the two teams. Captains may be keen to take up the offer of support from an opposition umpire, for example where their team contains a high number of juniors, but they should not be obliged to accept such an inherently unbalanced situation.
