

To all contacts in the SCL.

The members of the Management Committee have looked carefully at the proposals submitted for the rules meeting discussion. The quality of the proposals is good, but the issues raised are unlikely to need extensive debate.

The Committee is conscious of the time and travelling distance that members will have to take to meet up in Street on November 12. All Management Committee Members were surveyed and the unanimous opinion was that the Rules meeting **should not take place this year.**

The general feeling was that the proposals were clearly stated, not contentious and every club will get a chance to vote on every proposal.

The voting papers will be issued with the notice and reports for the AGM. The AGM documentation will be sent to all clubs in the week commencing November 12. This will enable clubs to hold their own meetings, discuss the proposals, complete the voting slips and bring the voting papers to the AGM where they will be posted in the ballot boxes. The counting of the votes will take place from 7.30 pm at the AGM on December 10. The results will be announced later during the AGM.

If any member requires any clarification on the process for voting or any other issue with the proposals, then please email me with your enquiry.
