## Clubs and Leagues

All,

This week's bulletin contains information on the National Club Webinar and Disability History Month.

### *National Club Webinar - 25th January*

We're inviting all Clubs to join our National Club Webinar, taking place on the 25<sup>th</sup> January.

The webinar is ideal for club officials, activators, coaches and volunteers who play a key role in ensuring your local club makes the most of the opportunities the ECB and your County Cricket Board have available for the 2022 season. The webinar will include topics such as powering, thriving and sustainable clubs for girls, grant funding, national programmes, and much more. The event will be free of charge to local clubs and will take place online, with no restrictions on the number of officials from each club able to join.

Please save the date and further details and registration instructions will be circulated next week.
