If you haven't yet, we would like to remind you to make sure you have [uploaded your courses](#) to Clubspark so that they are available when priority booking opens on 10 February, this will increase the chance of capturing a registration!

At this stage, we are only requiring centres to upload your courses, you do not need to complete the compliance and pre requisite information as the system updates are currently ongoing. Further information will be sent out on this in due course.
