

## **To all contacts in the SCL**

2. **CLUB DETAILS** SCB will once again be collecting club's contact details through play-cricket.com.  
In addition to the contact information that we require as a league we will also put the following club contact information in our 2020 electronic handbook so clubs can continue to contact each other and the league can function as we/you all need it to:

  - Captains (phone)
  - Cancellation contact (appears as Team Manager on play-cricket questionnaire) (phone)
  - Welfare Officer (phone)

### **How to enter your club contact details – please complete by 20<sup>th</sup> February**

3. **REGISTRATIONS & TRANSFERS** Amanda Counsell, who is responsible for registrations and transfers for the League has made the following observations:-  
A reminder that all **registrations** must have the players full home address (not club), and passport type selected from drop down box. Failure to complete will result in rejection of registration and will need to be resubmitted.  
**Transfers** - until 20th April will take 10 days to be completed due to less club activity on play cricket. After this date, they will be transferred after 5 days providing there is no objections from current club. Transfers can only be rejected by club if they are under a disciplinary or owe the club money.  
Any club with questions or issues relating to registrations and transfers should contact Amanda on 01278 785324 or by email on [amandacounsell@yahoo.co.uk](mailto:amandacounsell@yahoo.co.uk)
