

The decision to withdraw Street CC first team from the WEPL league was not taken lightly, we as a club realised that we no longer had the depth in playing personal to remain at this standard and believe it was unfair to our current young players within the club and our opposition to continue at this standard.

Within 24 hours of Street cricket club withdrawal, the Somerset cricket board and the MSL contacted the club offering a possible alternative, allowing our first team taking there place in Division 5 and a 2nd team entering in Division 7. Both SCB and MSL ethos is just to give the opportunity for everyone to play the game and liaised with us and other clubs to make this happen. As a club we thank both the Somerset cricket board and the MSL for making this happen.

As a club we have pride ourselves on our youth section, producing our next crop of players and this is down to sheer dedication to those that have volunteered over the years at the club to coach and manage these youth teams. So to have this opportunity offered to us is a real positive, allowing our younger players the chance to continue playing league cricket in 2021.

The club are always on the lookout for new members, and welcome players of all ages and abilities. If you are living in or moving to this area and you are interested in playing cricket in a competitive but friendly club please make contact via - <https://streetcc.play-cricket.com/>
