

## Messaging Update Clubs and Leagues

The Indoor Facility Guidance is currently with DCMS and Welsh Government for approval. We hope to be able to share this with you early next week and apologise for the delay. Please find below your weekly update.

### Women's Big Cricket Month - Action Required

Last week we shared with you the details and toolkit for the Women's Big Cricket Month and it's great to see clubs and individuals already sharing stories and activity using the #WomensCricketMonth.

For those who have not yet accessed the toolkit or the resources on the ECB Resource Hub we would encourage you to do so. If you have any questions regarding the campaign please speak to your County Cricket Board.

The Women's Big Cricket Month will also be used to highlight opportunities for women and girls to play, watch or attend cricket across the next 12 months with the weekend of 26-27 September – which sees England Women v West Indies and the final of the Rachael Heyhoe Flint Trophy – a perfect profile opportunity for all of us in cricket to ensure that women and girls know that cricket is a game for them.

Our Helpdesk is still being contacted by a number of parents who have said that they are unsure whether their clubs are planning to run sessions or cancel them for this summer. We would encourage you to contact parents to let them know whether they will be running sessions.

If you are looking to re-schedule your All Stars courses for this summer, we ask that you amend your course details within your ClubSpark account as soon as possible.
