Clubs and Leagues

All,

This week's bulletin contains information on Roles requiring DBS and the closing of the PPE Portal.

Good luck to all clubs who will be starting their All Stars and Dynamos Cricket programmes this weekend! We hope the weather holds out for you, but as a reminder, if it doesn't and you need to cancel your sessions please contact your participant parents directly to let them know.

Roles required for DBS

We just wanted to reiterate from last week that In order for cricket to remain safe and welcoming for children, appropriate checks must be made for all roles which involve significant contact with children.

The following roles require an ECB DBS (Vetting) check to meet supervision and compliance requirements. These are roles that are considered Regulated Activity with children in cricket.

All Stars Activator

Captain / Vice captain

Club Safeguarding Officer

League Safeguarding Officer

Coach

Coach Support Worker

Dynamos Activator

Junior Supervisor

Junior / Colts Manager

Scorer

Umpire

Team manager

Volunteer Coordinator

First Aid Responder

An individual must not take on one or more of these role unless and until their ECB DBS (Vetting) check is confirmed by ECB as 'Completed'.
