Clubs and Leagues

Dear All,

This week we're moving away from COVID-19 related updates to more general things for you to be aware of. We hope you continue to find the information useful and we will continue to send them on a weekly basis. Good luck to all clubs playing this weekend - it's set to be a scorcher!

Club Matters Return to Sport - Have your say

Understanding how you as players, volunteers and individuals within cricket are feeling and what can be done to support you is really important. Sport England have created two surveys which will help us understand the likely impact of the COVID-19 pandemic on playing and volunteering. In turn, this will help identify what future resources and support will be most beneficial for clubs and groups, and the volunteers they support.

We would appreciate you taking the time to complete the surveys below.

Please note that the ECB Playing Survey will be circulated as per other years in the coming weeks.

All Stars Cricket Reminders

We have been contacted by a number of parents who have said that they are unsure whether their clubs are planning to run sessions or cancel them for this summer. A reminder to make contact with your participants to let them know whether you will be running sessions.

If clubs are looking to re-schedule All Stars courses for this summer, we ask that you amend your course details within your ClubSpark account as soon as possible.
