

Understanding Our Volunteers

ECB 2020 Volunteer Survey

Dear All,

From North to South, East to West, clubs and leagues across the country are run and managed by incredible individuals like you, making sure that cricket is available to everyone. We know that week in, week out, many of you go above and beyond, often juggling your cricket role with full time jobs and everything else that life throws at us - and what's more, you do it for the love of the game as a volunteer. We are hugely grateful for the time and effort that you put in - thank you.

As we at the ECB start to develop our wider Volunteer Strategy, understanding how you feel will help us to shape the strategy and the ECB's plans for the future of volunteering in cricket. We would hugely value your time in completing the survey which will take no longer than 15 minutes, as well as sharing the link with any other volunteers within your cricket network and across your social channels.

As a thank you for participating, you will be entered into a prize draw to win one of two England Men's signed bats from the Investec Test Series in 2018 and the South Africa and New Zealand Vitality IT20 tri-series in 2017!
