NatWest CricketForce
Supporting the return to cricket

Hi All

Week on week we're seeing more clubs taking to pitches across the country and we've loved seeing pictures of your NatWest CricketForce PPE in action, and finding out what clubs have been up to celebrating the return with NatWest CricketForce activities. Don't forget that if you haven't yet registered to receive your free PPE equipment, you have until this Friday 5pm to do so. Simply register [here](#).

How have you been supporting NatWest CricketForce/taking part in NatWest CricketForce 2020 – your chance to win a signed England bat for your club?

No matter what you've got planned, big or small we want to hear all about your NatWest CricketForce and the kind of things you've been doing to get your club and pitches ready to play in this extraordinary season.

We'd also love to see how you have been using our PPE kits and implementing/taking tips from the NatWest Club Cricket Finance Guide during your club's safe return to the sport you love. To celebrate all the great work, **we're giving you the chance to win a signed England Cricket bat for your club.**

To be in with a chance of winning, simply share your images, showing us how your club has managed to do NatWest CricketForce this year and tell us why you deserve to win. Tag NatWest Cricket and use #NWCF on Facebook, Twitter or Instagram **between now and Monday 31 August.**

The five most deserving will be chosen as our winners.
