

Messaging Update

Clubs and Leagues

Dear All,

Following the short survey that we sent you two weeks ago asking for your preferences on regularity of communications we wanted to let you know that during the off-season we will be sending you these Messaging Updates every two weeks rather than every week.

We will of course continue to inform you ASAP if there are specific updates that fall outside of these bulletin style emails.

Your next weekly update will be sent on Friday 13th November.

Celebrating Black History Month

The ECB is celebrating Black History Month by looking back at the 21 black players who have represented England's men's and women's teams.

From Roland Butcher and the great Basil D'Oliveira, through to 2019 men's World Cup winners Jofra Archer, Moeen Ali and Adil Rashid the BAME community has a rich history in our game both on and off the field of play.

An initial 10 players have been highlighted in Part One of the series. Read more [here](#).
