## Clubs and Leagues

All,

Despite another tough year, in 2021, together we delivered not only a full and safe summer, but one of our best seasons ever. We recognise this is a result driven in large part, by the passion and dedication of players and volunteers in the recreational game.

You are the heartbeat of our game, and we thank you for all your hard work and energy over the past 12 months. Enjoy the festive period and we look forward to building up to an even bigger season in 2022.

As a final reminder, please ensure you have the 25th January in your diary for the ECB National Clubs Webinar that will detail 2022 priorities and support for clubs. Your registration link will be sent round in the new year.

For those who haven't seen it before, please see this wonderful wrap-up celebrating some of the amazing successes from 2021.
